Sensory Needs:

How to provide a sensory diet

Sensory Diets:

Many of our pupils at Riverside have a variety of sensory needs. Come along to our workshop and hear all about how different resources, activities and exercises can provide children with the sensory input they need.

Charlotte Williams, Assistant Headteacher,

will be talking about Sensory Diets and how we provide these for our children.

Maria Chukwu-Nsofor (Bambo's mum) will also be sharing her experiences as a parent and also sharing an exciting new website designed to help families access support for children with Special Educational Needs.

We are really looking forward to seeing you all there!
